

eAlerts

eAlerts allow you to have an email sent to your inbox or a text message sent to your mobile phone whenever certain events occur in your accounts. You can set up alerts to notify you when:

- Your account balance falls below a certain amount
- Your account has insufficient funds or is overdrawn
- A large debit card purchase or ATM withdrawal is made from your account
- A specific check has cleared your account
- Your loan payment is due
- Anytime your account is accessed through SCU Online
- An automatic withdrawal or loan payment is made
- And more

Banking Simplified.

To Set Up An eAlert

To set up an eAlert on your account, click eAlerts under Services in the Navigation Menu within SCU Online.

The screenshot shows the SCU Online interface. The top navigation bar includes the SCU logo with the tagline "Banking Simplified." and a "Welcome to SCU Online" message. A notification indicates "You have 2 new messages". The main content area is titled "Account Overview" and provides a summary of accounts by type. A red arrow points to the "eAlerts" option in the "Services" menu on the left sidebar.

Account Overview

This page provides an overview of your accounts by account type. To view the details and transaction history on your account, click on the Quick Action icon (lightning bolt) to the right of the Current Balance for a list of options, or double click the account name. You can enter your own nicknames for these accounts in the Account Preferences menu.

Checking			
Account	Updated	Available Balance	Current Balance
CTMH CHECKING XXXXX4848-50020	4/19/2012 3:34 PM	\$470.16	\$470.16
